- * Customized Plans address Risk Assessment, Business Continuity Planning & Evacuation scenarios
- * *Critical Information is in a single location accessible 24 hrs/ day!*

The **RESTORx DKI Emergency Response Program** offers a comprehensive loss management solution that is unmatched in today's marketplace. With our ERP Plan in place, you are prepared for any size disaster, so you can relax knowing that your company is protected!

Benefits of Our Emergency Response Program Include:

- ▲ We will be offering a 5% Discount on all out-of-pocket expenses for services provided by **RESTORx DKI**. (Discount does not apply to any subcontracted work.)
- ▲ Reduced Business Interruptions & Loss of Revenues.
- ▲ Protect the health and safety of your staff and tenants by letting the cleaning & restoration professionals at RESTORx handle your property losses in Western Washington.
- ▲ **RESTORx** is qualified to handle remediation of Large Commercial Buildings and Industrial Facilities, as well as residential homes.
- ▲ We can come look at your facility to familiarize ourselves with the layout of the building(s) so that we can be ready if a property loss occurs.
- ▲ We are Licensed, Bonded & Insured– Contractor # SPEID11096RT

The **RESTORx DKI ERP Program** is designed to seamlessly integrate into pre-existing disaster response strategies and recovery plans. Being a part of the **RESTORx DKI ERP Program** also guarantees preferred treatment in the event of a multiple-location loss. You will have the entire DKI network to rely on!
