

Our Work is Guaranteed

DKI Member Companies take their responsibility seriously. Our customers trust us with their most important assets, their home, their businesses, their heirlooms, their memories.

The Most Trusted Brand for Restoration

RESTORx is a member of DKI (Disaster Kleenup International), which is a network of over 150 leading, independent property damage restoration contractors across North America, with over 300 service locations nationwide.

Our commitment to our customers has always been to provide the hardest working, most well trained employees on our jobs. Training is critical to meet these goals and RESTORx DKI has the most highly trained staff with certified technicians in every aspect of our business. At RESTORx we will quickly analyze the problem, give a professional assessment of the damage; by providing an accurate and itemized estimate free of charge, finish the job on time, and follow up to assure total satisfaction.
