

# Management & Sales Contacts

**Rick Bevins**

**Rick Bevins** is the **President** of **RESTORx DKI**. Rick joined **Speidel International, Inc.** in 1986. Speidel was heavily involved in accelerated drying of commercial construction projects throughout the Puget Sound Region. Upon entering the business, Rick discovered that very few Insurance Repair or Mitigation Contractors employed any techniques to salvage wet or water damaged materials, when given assignments. Rick, very quickly, was able to demonstrate to most of the Insurance and Mitigation Repair firms in our Region the value of drying water damaged materials in place. **Speidel** soon became the dominant force in partnership with these Insurance contractors, as a Drying Subcontractor. **RESTORx of Washington** was started in 1992 to add the complete line of Insurance Mitigation services to our portfolio. Rick has spent years studying and developing strategies and drying techniques for building envelopes and materials and is considered an industry expert. Rick has also been an active member in the **Restoration Industry Association**, (formerly known as The Assoc. of Specialists in Cleaning & Restoration) for the last **20 years** and was a founding member of the **Water Loss Institute**, (WLI).

**Wayne Shay**

**Wayne Shay** is the **General Manager** for **RESTORx DKI** and has worked in the construction and restoration industry for the last 13 years. Wayne's background includes all elements of insurance reconstruction, estimating & mitigation. Wayne is IICRC Certified, Hazmat Certified, and AHERA Certified and he has served as a Project Superintendent on many large commercial losses. Wayne earned the **Green Risk Professional (GRP)** in 2009 to help **RESTORx DKI** to be the first restoration company in the area to be green certified and focus on green building and restoration practices. This will enable us to fully understand the needs and goals of our facility management and construction clients who are pursuing LEED certification. Wayne has the ultimate responsibility to ensure **RESTORx DKI's** fulfillment of all contractual customer obligations and strives to lead our crews to provide the very best customer service.

Wayne can be reached at: [WayneShay@restorxdki.com](mailto:WayneShay@restorxdki.com) (253) 478-4878

**Jody Runge**

**Jody Runge** is the **Senior Account Executive** and **Director of Marketing** for **RESTORx DKI**. She has been with the company for over 8 years and has worked in Sales & Marketing serving the insurance industry for the past 16 years. She is responsible for Sales, Marketing and Public Relations. She also earned the **Green Risk Professional (GRP)** in 2009 to help **RESTORx DKI** better understand the needs and goals of our facility management and construction customers. This was the first green certification program for restoration professionals covering green building & restoration practices. Jody enjoys volunteering for numerous committees & golf tournaments for the many industry associations to which we belong. She has been the Social Chair of WSCAI for the past 6 years and has been Volunteer of the Year in 2006 & 2007. Her focus is on building strong relationships and client satisfaction so that we can provide the best service!

Jody can be reached at: [jody@restorxdki.com](mailto:jody@restorxdki.com) (425) 770-6777

**Connie Krebs**

**Connie Krebs** is an **Account Executive** for **RESTORx DKI**. Connie spent 12 years in the flooring business, working at all of the Carpet to Go locations, Long Home Fashion, then as a dispatch manager for CPI where she contacted, scheduled and inspected flooring installations throughout the Puget Sound area. She then went to Great Floors where she spent 7 years as an outside sales associate, working with builders, contractors and residential clients in new construction and commercial business. Connie is well educated about all aspects of flooring and has attended several classes covering 'green' products. She understands what they mean to the consumer, the environment and the building industry. Connie also has Xactimate training and has attended subrogation classes so she understands the needs of the insurance industry. **RESTORx DKI** is pleased to have Connie join our team! She is working with builders and insurance professionals throughout Western Washington and is focused on providing the best customer service for our clients.
